READING IS A RIGHT, NOT A PRIVILEGE – LET US FACILITATE THIS FOR YOUR CHILD

All learners should have the opportunity to read with confidence, learn effortlessly, and grow without boundaries. We, at Dozier's Dyslexia Academy, hold the belief that dyslexia is not a barrier; rather, it is the basis for a better educational journey. Our certified experts use verified, research-backed approaches one session at a time to help learners of all ages move from blocking to fluency in reading.

WHAT WE OFFER

DYSLEXIA THERAPY: AN OVERVIEW

Dyslexia is a learning difference that affects how to understand spoken, written, and spelled words. Throughout history, many successful innovators, entrepreneurs, and brilliant thinkers have thrived despite facing the challenges of dyslexia. While it can be tough for learners who lack the right direction, it's something that can be addressed with the right learning therapy.

Our educational approach to dyslexia therapy goes beyond conventional teaching methods. We use authentic, structured, multisensory practices that mark the source of reading difficulties, boost real skills that last. At Dozier's Academy, each session is targeted, customised, and focused on helping to transform discontent into confidence.

Timely action leads to better results: Early dyslexia therapy for learning difficulties at the right time can modify children's literacy, education, and self-worth.

CORE PROGRAM AREAS

WHAT DOZIER'S DYSLEXIA THERAPY PROGRAM COVERS

Our approach to helping those with learning disorders through dyslexia therapy is built on the solid principles of integrated literacy. Each student receives a personalized learning plan that offers to their individual strengths, pace, and challenges.

Phonics & Decoding

We teach word-attack tactics and letter-sound relationships, starting with simple concepts and steadily moving to more complex patterns.

Phonemic Awareness

The basis of all reading success is the ability to hear, comprehend, and engage with specific sounds in standard language.

Spelling & Writing

Encoding words accurately and confidently using well-organized spelling rules and hands-on writing sessions.

Fluency in Reading

We offer targeted activities designed to increase reading skills, improve verbal communication, and expand speed and accuracy, making reading feel effortless rather than a struggle.

Vocabulary & Comprehending

We aim to enhance learners' vocabulary and comprehension skills, enabling them to truly grasp and love what they read.

Self-Motivational Skills

We teach students to learn most effectively and confidently express their needs in any situation.

THE DOZIER'S DIFFERENCE

WHY PARENTS TRUST DOZIER'S DYSLEXIA ACADEMY

Dozier's Academy is not a general tutoring centre. Here, our aspect is purpose-built for learners with dyslexia and related learning differences because they deserve a therapist, not generalists.

- Certified therapists trained in structured literacy instruction
- Personalized and individualized learning plans
- Small sessions ensure focused support
- Ongoing progress tracking and parents' communication

Our goal is to ensure that every learner not only gets knowledge but also builds self-esteem and grows an ultimate love for learning.
